Adaptations for children with SEND

Subject Area: R.E.

Area of Need: Cognition and Learning

- Children are given extra time to complete learning if needed
- Writing structures and writing frames
- Repetition of ideas during lessons
- A wide range of experiences such as visiting places of worship and handling artefacts
- Photographic reminders of key learning points

Area of Need: Communication and Interaction

- Explicit teaching of new vocabulary
- Word banks provided
- Structured support for verbal responses
- Carefully considered groupings/pairings with adult support as appropriate

Area of Need: Social, Emotional and Mental Health

- Prepare children for visiting new places – photos, discussions of what to expect to reduce anxiety
- Social stories
- Extra thinking time if needed
- Teachers consider the background/religious status of the child and how comfortable they may feel during the lesson
- Value the child's verbal responses rather than being heavily reliant on written work

Area of Need: Physical and/or Sensory needs

- Resources modified as appropriate to individual need
- Physical and sensory needs taken into consideration in advance of practical work
- Consider how different sources could be used to convey information (physical resources such as prayer mats, bibles etc)
- Options to record learning in a different way if appropriate
